SECTION 15: REGULATORY INFORMATION

1 The extraction process technology is protected by US Patent No.: 5,157,132 (1992). Tocotrienol is approved for used in dietary supplement, cosmetic and as a food additive. Vitamin E is listed by FDA as GRAS nutrient / dietary supplement.

2 **BSE / TSE Information** : Tocomax™ 20% does not contain any substance or component of bovine, ovine or caprine in the composition.

It also stated that:

- Throughout the manufacturing process of this raw material, no substance or reagent of the bovine, ovine and caprine origin have been used.
- The raw material concerned has not been exposed to risk of environmental contamination from substances of bovine, ovine or caprine origin, during the said manufacturing process.

3 **Vegan / Vegetarian Status** : Tocomax™ 20% is suitable for vegan / vegetarian.

4 **Allergen Information** : Tocomax™ 20% is free from the "8 Big" allergens – peanut, milk or milk by-product, wheat or gluten, tree nuts, soy, fish and shellfish.

Remarks: The "8 Big" allergen is defined in the Food Allergy Labeling & Consumer Protection Act of 2004 (FALCPA).

5 **Kosher and Halal Status** : Tocomax™ 20% is certified Kosher by London Beth Din Kashrut Division (KLBD), under company code: 0134

Tocomax™ 20% is certified Halal by the Department of Islamic Development Malaysia (JAKIM), under reference number: 1 039-03/2006

6 **GMO Status** : Tocomax™ 20% is a 100% GMO FREE product.

7 **GMP Certification** : Tocomax™ 20% is manufactured in accordance to the current Pharmaceutical Inspection Co-Operation Scheme (PIC/S) GMP Guides.

Citric Acid Vegan Statement

To whom it may concern,

While there is no government regulation of the term “Vegan” or Vegan products, the Vegan Resource Group is a widely recognized authority on vegan food classifications, and they categorize all Citric Acid as Vegan, the following is taken from <http://www.vrg.org/ingredients/>:

citric acid

Commercial source: vegetable, bacterial, fungal, or mold.

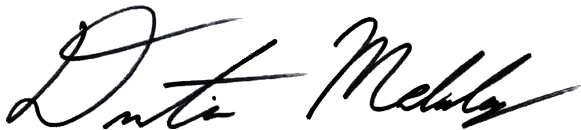

Exists in: citrus fruits, coffee.

Used in: beverages, canned fruit and vegetables, cheese, candy, mayonnaise, instant potatoes, canned meat, wine, salad dressing, crackers, ice cream, baked goods, chewing gum.

Definition: A common food additive used as a flavoring or preservative, among many other uses.

Vegan
